

BAGPIPE TUTORIALS

Pipe Major Bill Robertson,
ex The Royal Scots

LOCH CARRON

Reel

Composer: DC Mather

Endeavour to have very good clarity of execution and relaxed reel flowing rhythm with short sixteenth/semi-quaver notes clear and not too cut to assist with clarity as demonstrated especially in the audio mp3 file in the slower repeat of the tune.

Grace note combination also must be clear, not hacked or crushed, to impart certain rhythms also.
